Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for House Bill No. 2345, Page 2, Section 304.044, Line 40,  
2 by inserting immediately after all of said line the following:

3  
4 "304.288. 1. As used in this section "automated traffic enforcement system" means a  
5 camera or optical device designed to record images that depict the motor vehicle, the motor vehicle  
6 operator, the license plate of the motor vehicle, or other images to establish evidence that the motor  
7 vehicle or its operator is not in compliance with state law, ordinance, order, or other provision.

8 2. Beginning on the effective date of this section, no county, city, town, village,  
9 municipality, state agency, or other political subdivision of this state may enact, adopt, or enforce  
10 any law, ordinance, regulation, order, or other provision that authorizes the use of an automated  
11 traffic enforcement system or systems, to establish evidence that a motor vehicle or its operator is  
12 not in compliance with traffic signals, traffic speeds, or other traffic laws, ordinances, rules, or  
13 regulations on any public street, road, or highway within this state or to impose or collect any civil  
14 or criminal fine, fee, or penalty for any such noncompliance, except as permitted under subsection 3  
15 of this section.

16 3. Any county, city, town, village, municipality, state agency, or other political subdivision  
17 of this state that has an automated traffic enforcement system installation or maintenance contract  
18 with a company or entity on the effective date of this section shall arrange to complete or terminate  
19 the contract within one year after the effective date of this section. The provisions of subsection 2  
20 of this section shall apply to the county, city, town, village, municipality, state agency, or other  
21 political subdivision after the termination or completion of such installation or maintenance  
22 contracts.

23 4. Nothing in this section shall be construed to limit or prohibit the otherwise lawful use of  
24 automated license plate reading.

25 Section B. Section 304.288 of Section A of this act is hereby submitted to the qualified  
26 voters of this state for approval or rejection at an election which is hereby ordered and which shall  
27 be held and conducted on the Tuesday immediately following the first Monday in November, 2016,  
28 or at a special election to be called by the governor for that purpose, pursuant to the laws and  
29 constitutional provisions of this state applicable to general elections and the submission of  
30 referendum measures by initiative petition, and it shall become effective when approved by a  
31 majority of the votes cast thereon at such election and not otherwise.

32 Section C. Under chapter 116, RSMo, and other applicable constitutional provisions and  
33 laws of this state allowing the general assembly to adopt ballot language for the submission of this  
34 act to the voters of this state, the official ballot title of this act shall be as follows:

35 "Shall Missouri law be amended to: Prohibit political subdivisions and state agencies from  
36 using automated traffic enforcement systems to establish evidence of noncompliance with traffic
